

*Magni Patris Magnus Filius
Ea re una discrepabat à Carolo,
Quòd, quam ille Magnitudinem Austriae ferro obtinuit,
Hanc Philippus nomine et fortuna Secundo,
Consilio et prudentiâ usque adeo auctâ Heredi reliquit,
Ut Austriacis Regnis Sol nunquam occumberet.
Princeps, cujus calamum Hostes non minus
quàm ensem Caroli timuere.*
