

D. N. 167. 576

Dear friend! Thank you
much for your interesting
and masterly essays, and if not
remembered during my
last year, - in my memory
will be all the time.

I should say that in the
so stampet - worship in
nature. - I have written with
a strong feeling for the
power of the human
mind. - I am a
Lutheran and I
(very much) I give you
myself
