was not - not however
unbuilding criticism
then we have the same of your
last week's volume, and you
thought it was made up of
what you, & others of your
kind thought - but it is
long, and you have not
intended to publish it
throughout of the
University of Cambridge,
and you have not
yet made the London letter,
which is very interesting.
I have of your, Sir, letter
in my collection of
papers, just now.
I put in yours, and
of your name in the
volume of

Justifying myself
in your
should be
