

Amicus

7.11.928

Leipzig 25. Nov 78.

Erzuchtliche Frau Rossmann,

I have been for the past
some, in our garden of
peace. Like her in day and
the paper she makes you will
believe, in the stillness of
the evening here, and in
the night we are ever together.

With affectionate regards
to you.

Yours truly

Henry

Reverse-side bleed-through text from the other side of the paper, including the words "Purcell" and "Old Style".
