The Baroness of  
Auplexey presents her  
Compliments to M. le  
Chevalier de Scherzer,  
I will feel much  
obliged if he will give  
her any indications  
or information he  
may think useful  
& desirable concerning  
Madame de Felbenzer  
who wishes to come  
to Lady Auplexey as

Madame de Compaire -

It is at Madame de  
Telbinger's request  
that Lady Hughes  
ventures to trouble  
M. de Scherzer, and  
she will be grateful  
to him for an answer.

With kindest regards  
Lady Hughes  
presents her  
compliments and  
excuses -
