They are tomorrow to find... in the morning to find...

Dear Charles! I inform you that it was  
yesterday in the Wanderer an article named  
"No's Glebe is vinniff An' p'p'it" - proba-  
bly by you - I have found it very interesting.  
Thank you for your letter. No hope - no  
news, but I will go to the director of the  
Hotel Britannia - perhaps I could make  
with him a business in account to let  
our rooms also from August till end the  
exhibition. I heard that the hotel makes very  
grand business. I will write to the father  
tomorrow. I cannot find the difference between  
the shirts and the model all larges are in equal  
measures, excepted the button holes, which the
