Genevieve de ...

Mais une belle et douce fleur  
obscurément fleurit. Je voudrais  
être un peu de sa couleur et de sa  
mélancolie, et de sa fraîcheur,  
mélancolie et fraîcheur, et de sa  
douceur et de sa pureté. In the  
languid and sweet, and beautiful  
young girl, I find the most  
useful and the most beautiful  
part of the soul, and the most  
precious and the most beautiful.
