Dear Mother

I hope you are well and happy
I have been thinking of you very much

and I am sure you are the same
I have been very busy lately

but I have not had time to write
to you as often as I would like

to do so. I am well and hope
you are the same. I have been

very busy lately but I have
not had time to write to you

as often as I would like to do so.
I am well and hope you are the same.
I have been very busy lately but I have
not had time to write to you as often as I
would like to do so.
