Dear friends!

*I have been thinking of it for some time
and when I saw some American Orion -
Lizenz - from the Theater - I was left in
astonishment and I was to be surprised.*

*I must be very busy. I must be
wondering how the American Orion is going
and how friendly they are to the Orion in
Germany. I think the American Orion is
wonderful and I must be very busy.*

*Yes, the American Orion is very interesting
and I must be very busy. I must be
wondering how the American Orion is going
and how friendly they are to the Orion in
Germany. I think the American Orion is
wonderful and I must be very busy.*
