

I. N. 214.786

22nd Nov.

20.11.1943

Dear Mr. Shulick,

I return the paper, which
I am glad to see is
well signed and supported.

The motion stand you
are as I write, and give
great pleasure.

I am expecting R. Clark
tomorrow afternoon to see
some drawings with a view to
the exhibition at next fall.

Yours sincerely
Campbell Dodgson
