dear Sir

I received your agreeable letter by M<sup>r</sup>.  
Nadler which caused me a great deal  
of pleasure, seeing you are ~~you~~ so well  
acquainted with the english tongue. If I  
had not been in want of money, I would  
have never troubled you, sir, but I flatter  
myself you will not take it ill, that I  
am so bold in asking it; for I can  
assure you, that I never was in ~~so~~ a need  
of money as I am now; in an other  
occasion you may command me to the  
last penny, I have for serving you:  
you will do me a great ~~favor~~ if you  
send me it for Thursday: be not angry  
if I pray, an other time you shall find  
me as a true friend, provided it should  
be in my power: I am with the utmost  
respect your - - - most humble servant  
from home at ten o'clock Joseph Borzic  
in the evening. the ~~will~~.

To the Right honorable  
Mr. Donnell & the young  
at his own Lodging.

Thine  
G. W. Donizio.
