My dear Sir,

Allow me to thank you for the courtesy that you have done me in translating my poem 'The Cotswold Farmers'; and for the very friendly message with which you send the translation to me. Unfortunately I cannot read German myself, but two or three friends have helped me to get much pleasure from your version, and I am very grateful to you. I am sending you with this a small volume of my Selected Poems which I hope you will find to be of interest.

Sincerely yours,

John Driscoll
