Dear Mr. Jewinsky

I am most anxious you
should make the acquaintance
of my dear friend Mrs Sactoris
vix Kemble, who is staying
with us for a few days. She
is niece to Mrs Siddons and
daughter of Charles Kemble
& has inherited all the talent
& chance of the name of which
many English persons must feel

So proud.  Would you
come to us any evening you
happen to be disengaged
after 8 o'clock?

I remain very truly Yours

G. Bloomfield
