Dear:

Thank you for your New Year's letter. My last book "Die Schuldlosen" has been on its way to you for many weeks, and I do hope it will arrive on your birthday. Of course, it is true that I am a professor now, but only honoris causa, which means without honorarium. Reason enough not to mention it, all the more so as I have to finish a book by April 1st (for otherwise I shall starve) and therefore cannot write. But my thoughts are with you.

My love to Fritz.
