

27.8.74.

My Dear I must tell you that
our little one is a little better
weather, to-day since your departure
mild for the first time - the
weather is no more pretty.

Our boys were yesterday at the
Yauerling - to-day they went to
Aggslein. - They are very happy
together - I hope for your kind
news to-morrow! Give my love and
kiss you - on Saturday happy meeting yours Mels.
