Dearest, Yesterday, baby had a tolerable
Day - I took my bath and also did M.
M. & slept two hours in the forenoon -
and two ones in the afternoon - I took
a lesson from her. - After dinner
we had a Thunderstorm - towards the
evening I went in the Park -
then I had a little conversation with
my neighbour and an elderly lady -
my neighbour, shall send your friend.
The night was good. Your journey may
be blissful! - Ever Yours
Mela.
