Steyr 17.7.73. Dearest Admother,  
I am here in the brother's house for 24 hours,  
departing this noon for Ill. where I hope to  
find your news, which I am very anxious  
to know. The weather is pretty. Walt  
and Betty are full of attentions and  
they send you many "Good byes" and  
the best wishes for poor baby. But  
they are not capable to dissipate my  
sad spirits, they are themselves of  
a melancholy color. I hope Fredy  
will come back to you very soon for  
missing you. I embrace Her and  
him. Ad. I will come to Vienna in autumn.
