10. 7. 75 Dearest, Thank You heartily for Your
Kind letter and am very glad, that You are
of my opinion. But I'll try to settle the matters
with Mary as well as possible for this month.
as I must come here at the end of July for fetching
money, I'll bring her our common resolution.
In the mean time Carola shall have the
kindness to look sometimes in our lodging
and so let Heaven make it all right. Yesterday
I had not your news, alas! There was
we sung and played. as for me, I am free here
for 4 weeks from Tuesday (13) and before all I
will be with you and as for the rest, nous verrons.
So I hope to embrace you 13 at 1.43 and pray
make my compliments to the Stöckler's and
greet Api and many kisses to holy ada.
I long to be on Your side and wish to
find You in good health soon
