A. J. G. Kiss your hands.

Good morning Dearest. It is a better
night, I am well, the boys in
spirits. G. remains the whole week
with us and comes also with us to
Vienna. Are you angry my dear
that I must come so early? —

Weather still very cold. From
Seubaus friendly Approbation — I
am very glad. Would it were
Saturday — how will I be in
spirits — a little kiss for you? —
yours &c. &c. &c.
