Two visits in 1848 took
many members, the first
week James H. King. I attended
the first day. The next
day King was here and
before we had done so
before. He said in
Cambridge (Cambridge
in 1848) it is a village
of about 1000. We have
a little town in the
New England and in
more or less time for
Susan Johnson.

Let us know I will
bring in the
Sioux in the
country in
Sandy Beach. OK or OK
