Mr. H. Taglang

Vienna VI, Mariahilferstr. 89

Dear Mr. Taglang:

Yours of May 7 is received and I have communicated with Madame Bloomfield Zeisler, the eminent pianist of Chicago, who is going to Europe shortly. She will visit ~~in~~ Vienna and will have the opportunity of determining what needs to be done with regard to a Leschetizky monument. She will undoubtedly communicate with you while she is in Vienna.

Sincerely yours,

A large, stylized handwritten signature in black ink, which appears to read "Ossip Gabrilowitsch". The signature is written in a cursive, flowing style with a long horizontal flourish at the end.
