Dear Dr. Scherzer,

Ministry and Queen Ministers
H. P. Newfoni to most
impolite to suggest to Hoan

scarcely perceptible, there is a
 of the best or best kind in
 no wise technical and it may
~~point out by practice.~~
 course that China aims it is
 to be able to live her own life
 as complete her own destiny,
 and I have no doubt that the
 experiments she really benefits
 her will also be for the good
 of the rest of the world.
 The desire to have more control
 of foreign influences does not
 however mean that foreigners are
 not to have their goods, as the
 China intends radical changes: as
 Hard

The cutting shows that the
solid part is a good foundation to
build on, and that the upper surface
provides sufficient space for what is
to be done. The last thing
I have been most interesting &
the next thing will be more interesting
still!

With kind regards,

Yours very truly,

Arthur Gant.
