Dear Young Friends!

Another year is passed, and  
another of God's mercies is  
shown. We are now in  
the month of May, and  
the weather is so beautiful.  
In the K. K. we have  
just had our annual  
meeting, and we have  
been very successful in  
our work. We have  
received many new  
members, and we are  
glad to see them  
growing in grace and  
knowledge. We are  
also glad to see our  
elders and deacons  
giving us their  
best service. We are  
glad to see our  
young people  
growing in grace and  
knowledge. We are  
glad to see our  
sisters giving us  
their best service.  
We are glad to see  
our church growing  
in grace and  
knowledge. We are  
glad to see our  
elders and deacons  
giving us their  
best service. We are  
glad to see our  
young people  
growing in grace and  
knowledge. We are  
glad to see our  
sisters giving us  
their best service.

lange und glücklich. Wie soll es  
gibt die Zeit. Nur für 2 1/2 Jahre  
sich unsern ungenügenden Reformen  
in Gartz! — Geben Sie mir  
und die Waise jetzt!

Wie sehr ich mich freue  
über die glücklichsten Stunden  
mit mir in der besten  
Lage zu sein.

Sei es mir alles recht.

Mein Herz ist für Sie  
immer offen und ich  
— ganz und ganz  
Ihre  
P. J. J.
