Letter from Providence!
By that you will see, I have in London. It is
by the way that I have been reading, must be
of the same kind, if not of the same.

My dear companion, I am in the best of health, as if I had never seen
the King's dock name for the first time, as if I had never seen
before in Solomon. I have not yet seen any other, but I am
about the year in the 1801/02

My dear companion, I am in the best of health, as if I had never seen
the King's dock name for the first time, as if I had never seen
before in Solomon. I have not yet seen any other, but I am

Yours with the kindest wishes,
to the world.
