

My dear father!

Since the year 1848 we have
 been in the hands of the
 French and the consideration may
 be the same that we have had
 in the last few years that we have
 been in the hands of the
 English and the consideration may
 be the same that we have had
 in the last few years that we have
 been in the hands of the
 French and the consideration may
 be the same that we have had
 in the last few years that we have
 been in the hands of the

If you do not know me, I will
 be glad to see you, I will
