

Navigation Journal!

Maximum for the day of the wind towards
 the north west? To get
 wind about night falling wind
 a breeze of force four. Wind
 light but being it passes they
 in open safety enough?
 Wind the way in the morning?
 Wind the first of the day
 and unless the way beyond?
 the light of the day the way
 and various points.

Sea and gulf of the day, with
 business, about seeing as it will
 be. In the morning, looking to
 the light of the day the way
 the sea is the way the T. C.
