The first thing that I
found in my pocket was
a small piece of paper
with some faint writing
on it. I was very
curious to see what it
was. I took it out and
read it. It was a
letter from my father.
I was very glad to
hear from him. He
was well and hoped
I was the same. He
said he was very
proud of me and
was glad to hear
that I was doing
well. He said he
was very happy to
hear that I was
going to college.
I was very glad to
hear from him and
was very happy to
hear that he was
well. I was very
glad to hear that
he was proud of me
and was glad to
hear that I was
doing well. I was
very glad to hear
that he was very
happy to hear that
I was going to
college. I was very
glad to hear from
him and was very
happy to hear that
he was well. I was
very glad to hear
that he was proud
of me and was glad
to hear that I was
doing well. I was
very glad to hear
that he was very
happy to hear that
I was going to
college.
