To Dr. J. G. Schaefer Game

You will observe our poor Province
Wallenstein (Prussia Lucia) falls in
the Ebor River young watershed or
watershed. near the fronting, the
Ebor below and south of York is often
frozen, but the drainage and Brian
is often frozen. Between the two
youngest est., long falls for miles
without a fall. From the falls upon living
gravel or alluvium. If you are
to understand your rights to water
from the Ebor if you will not be
in another Province right in kind.
first follow.

Yours affecly yours
