My dearest Augusta,
 You will
 I hope forgive me
 for not writing
 before this. I am
 wishing to hear from
 you if you have
 received a letter
 from dearest Rosa.
 All Rosa's letters are

read by the Rev. and
Wish and then an
always some men
who understand German.
You write English
very well and I always
understand your letters
but as I have no
one to teach me
German I could
not either write
it or speak it.
I spend some of
my vacation

with some friends
in the Co. We are just
and also in Sleep
man. I hope you had
also a happy time
during your vacation.

Do you have any
vacation at Christmas.

Hoping dearest August
to receive a long
letter from you very
soon and with
good love to you

and hoping you
and your family
are quite well.

You believe me

Your very sincere friend

Sophy

P. S.

If you have a
photograph of any
of your family that
you could spare me
it would give me
great pleasure to have one.
