My dearest
Augusta and
accept the
love of your faithful
Daddy

Will you
kindly write
to help you
have vacation

My dearest Augusta
I was beginning
to fear you had quite
forgotten me as I had
not heard from you
for such a long time
I give me they would
please dearest Augusta
to receive your photograph
and I like it very
much and sincerely

hope that some time
I will see you
either in Ireland
or England. I am
glad to hear that
you have not heard
from our dearest
Rose and greatly
fear she has not
received all your
letters. You have not
any idea how
strict the Reverend
Mother is and
unless it is a father

Father or sister etc
They are sometimes
not allowed to see
friends but if Rosa
went to some other
Cousin she might
have a better chance
of seeing me. However
I may try it but
I fear I will fail.
Did Rosa mention
that her father has
seen her Mother she
last few years for
I know she would

Love to see him
and has been long
expecting him.
Do you know
him. When you
have your vacation
if you can spare
time will you write
me a long letter.
I hope your family
are all well. When
I get a good photograph
taken of myself
shall send you one
as the one I sent
you is very ugly
