

H. J. N. 19344.

Georgian Jan 1.

In the preceding correspondence
 bearing name of the deceased,
 also with the following
 references have been
 investigated and it
 appears that the
 following names are
 not correct. Name of
 child deceased is & the
 name of father? it would
 seem various names are
 given in the S. records.
 Local in the place.

With friendly regards
 Yours
 J. H. ...
