

The White Horse Stourington Nov 13

Dear Mr. Kalmus

Many thanks for the generous
things you wrote in your telegram on
my birthday, which I particularly
appreciated.

I greatly regretted not being present at
the performance of the new sonata,
but I had to be in London so
much during those days that I was
obliged to economize. The work seems
to have been generally liked, & I
imagine I may hear it again before
long.

Please forgive me for not addressing
you properly, but I do not know your
first name

With kind regards

Yours sincerely

Arnold Dax
