

Dec. N. 19356.

Paris 17. 1. 80

Dear Mr. King
9.

Hope you are well!
The first year has
been a very happy
one, & I am glad that
I had of the best the world
can give you.

It is the first time
that I have ever
been so happy, I don't think
it will ever be again.

But if you are
well - I am -
