

My dear father,

When I was told that I was to  
be in the army I was very  
glad to hear it. I have always  
loved to be in the army and  
I am now in the army. I am  
very happy to be in the army  
and I am very happy to be in  
the army. I am very happy to  
be in the army. I am very happy  
to be in the army. I am very  
happy to be in the army. I am  
very happy to be in the army.

Yours affectionately

Wien, 30. April, 1864
