10th Sept. 1849.

Dear Sir,

As I have left Lisle Street for some time your letter of the 3rd inst. has been forwarded to me here, and I am very much obliged by the enclosed bills amounting to £35. 0. 0 which I have placed to your credit. I am sorry that I have not the little print by Rembrandt you want, but when I return to town, will try and find one for you. The second part of our stock will be sold in the month of December, as it consists entirely of English Portraits, it will perhaps not be necessary to send you the catalogue, but will take care to send that of the third portion, which will contain many fine prints by old Masters.

Whenever you have occasion to write to me again, I shall be obliged by your directing to me at

No 20 Upper Southwick Street,
Cambridge Square,
London,

where I shall always be most happy to see you. I am here for only a few weeks, and my brother who is now with me desires me to present his respects.

I am always, Dear Sir,
Very sincerely yours
Wm Smith
